

Sport Fishing in Cancun, Mexico

You don't have to be an expert to fish in Cancun. If you are a beginner, basic instruction in the marina where you hire the trip will be enough to start. We recommend you to start with light tackle since the line casting techniques are simpler than those in fly fishing.

For fishing in Mexico, a special license is required and is issued by the Mexican Ministry of Natural Resources.

The marina where you hire your trip, however, will do the paperwork for you so check if it is included in the price of the tour.

Sport fishing has no age limit. As long as you can lift your fish, anyone can fish.

Fish the Caribbean with friends and family, a great way to enjoy your vacation.
